

## Special Meeting of the City of Big Falls Council Members

Thursday, August 25, 2022, 6:00 p.m.

City Office/Council Chambers Room, in person

**Council Members Present:** Shaw Pritchard, LouAnn Abendroth, Brenda Sursely, and Angela Boes.

**Other Employee's Present:** Terry Baird

Shawn Pritchard called the special meeting to order at 6pm.

The Big Falls City Council held a special meeting to conduct a one-month performance review for the Maintenance/Utility worker Mr. Stoltzman. Terry Baird was present to update council on how Mr. Stoltzman is doing, as it's been one month since his hire date.

The council and Mr. Baird held a lengthy discussion regarding Mr. Stoltzman and his abilities and what he is lacking. Seems Mr. Stoltzman is not as mechanical as he led himself to be claims Mr. Baird. Mr. Baird has spent lots of time fixing lawn mower parts, due to Mr. Stoltzman breaking things and not telling anyone. Mr. Stoltzman has been processing the water treatment samples daily for over 3 weeks now and still hasn't quit grasped the concept. There are several areas lacking that Mr. Stoltzman needs to improve on.

The Council and Mr. Baird came to an agreement, to give Mr. Stoltzman a week to improve and show he has the ability to grasp all duties.

Mr. Baird and Mr. Pritchard will have a discussion with Mr. Stoltzman Friday morning to let him know he has a week to prove he can handle the job.

*There was a motion by Sursely to have a talk with Mr. Stoltzman and give him a week. There was a second to the motion by Abendroth. The motion carried with all in favor.*

*There was a motion to adjourn by Boes. Second by Abendroth. Motion carried.*

Adjourned.

Shawn Pritchard, Mayor
